

# In-House Counsel Training Programme

## *Contract Update*

**Simon Bates**

Partner - Commerce & Technology

Simon will provide an update on contract law over the last six months relevant to in-house lawyers. This will include discussing recent cases on the effect of pre-contract negotiations, who is a commercial agent, the interpretation of some common phrases used in contracts and the impact of the Consumer Protection from Unfair Trading Regulations 2008.

## *Property Litigation Update*

**Barry Jervis**

Partner - Dispute Resolution

Barry will provide an update on property litigation, which will focus on recent key developments in this area and will cover a round up of recent case law on aspects such as alienation, limiting liability under repairing covenants and the validity of notices.

## *Company Law Update*

**Mathew Harvey**

Partner - Corporate Finance & Transactions

Mat will review the codification of directors' duties, one of the most significant and controversial parts of the Companies Act 2006. The new statutory duties have been with us for sometime now and he will provide an update on the duties and their application.

## *Employment Law Update*

**Kimbra Welch**

Associate - Employment Law

Kimbra will highlight a number of recent cases of particular importance to employers, including the tricky areas of holidays, sickness and retirement.
