

In-House Counsel Training Programme

Contract Update

Simon Bates
Partner - Commerce & Technology

Simon will provide an update on important contractual cases over the last six months including the long awaited decision in BSkyB -v- EDS concerning pre-contract misrepresentations; the contractual effect of a letter of intent in RTS -v- Muller and whether a contract can be frustrated because of economic difficulties in Gold Group Properties -v- BDW Trading.

Employment Law Update

Kimbra Welch
Associate - Employment Law

Kimbra will go through the main changes which are to be brought into force in October 2010 as a result of the Equality Act 2010 receiving Royal assent in April. This will include the new claims of indirect discrimination in the areas of disability and gender reassignment together with the possible introduction of multiple discrimination provisions.

Intellectual Property Update

Pina McAleer
Associate - Intellectual Property

Pina will provide an overview of Intellectual Property Rights including Trade Marks, Copyrights, Patents & Design Rights and why they are an important asset to any business. She will also go through some practical scenarios of when your company's Intellectual Property might be at risk and how you may resolve those issues.

Property Update

Richard Miller
Partner – Retail

Louise Whitehead
Associate – Development & Regeneration

Richard will give a general update on landlord and tenant law including the recently introduced legislation in the important area of carbon reduction as well as recent cases of importance, in particular, in relation to break clauses.

Louise will present an overview of recent changes in planning law which react to the economic challenges of the past 2 years including the introduction of the Community Infrastructure Levy and what changes may be brought forward by the new government.
