

How can  
we help?

Harvey Ingram LLP  
solicitors

Legal experts who combine professional knowledge with an understanding of your business in a truly global approach.

# International Solutions

At Harvey Ingram we are constantly developing ways to support your international trade requirements. Whether you are seeking to trade with overseas customers or suppliers, or considering expanding international operations, you will get expert advice and a quality service. Issues that need to be considered when operating in a global market include choosing the right legal structure for your business, assessing funding options, understanding regulatory requirements, dealing with employment issues and protecting your intellectual property. That is why you need legal experts on your side who can combine professional knowledge with an understanding of your business in a truly global approach.

## Leading full-service law firm

We are a leading full-service law firm with offices in Leicester and Birmingham. Comprising 31 partners and more than 280 staff we offer a comprehensive range of legal services to commercial and private clients. We provide exceptional, partner-led services supported by specialist legal teams dedicated to making client satisfaction a priority. We are committed to providing high-quality services that add value and offer proactive solutions based on a true understanding of our clients' objectives.

## International Network

As we find ourselves increasingly operating in a global market, we are constantly evolving how we support our clients' needs. We have actively sought associations with overseas intermediaries and professional service firms, particularly in Europe and South East Asia. We believe that by linking up with like minded colleagues in our growing network of contacts, we can offer clients the quality and type of service they deserve. We have developed relationships with the people you will be dealing with and have taken the time to ensure we can work together to provide a seamless service.

## Inward Investment

We have considerable experience in helping overseas companies and individuals seeking to either invest or commence business in the UK, or who want to trade with UK partners. Issues that arise include regulatory requirements, employment legislation, the details of supply, distribution and agency agreements, the implications of trading online, e-commerce and competition law. We provide dedicated support to our clients and firmly believe we can contribute to our clients' success in the UK and overseas.

As we find ourselves increasingly operating in a global market, we are constantly evolving how we support our clients' needs.
