

Looking after your business

# Corporate Finance

All businesses face opportunities and challenges.  
Only those with the best strategy and advice will survive.

Experience helps and Harvey Ingram has some of the most experienced corporate lawyers in the business to help you with your commercial objectives by providing pro-active legal solutions.

Our team is experienced in dealing with complex and creative transactions, often completed very quickly and are used to working on international matters.

We act for all types of businesses ranging from SME's, large corporates, subsidiaries of overseas companies, entrepreneurs, venture capitalists and public institutions through to major plcs.
